

Camp 2010...

The summer program this year will be held June 29th to August 27th. Our goal is to provide a safe and fun learning experience.

About the day...

Half-day program begins at 12:30 pm and ends at 4:00pm. Late pickup times can be arranged for an additional fee.

Each day will include a formal 1-hour group riding lesson along with extensive hands on experience with safety, horse care, tack care, breeds and barn maintenance.

There will also be a daily craft project. The indoor arena allows us to ride rain or shine so there will be no cancellations due to weather!

Camper's need...

Parents or guardians will need to sign a release and an emergency contact sheet on the first day of camp. Campers should pack a healthy snack in case they get hungry.

Campers need to wear proper riding attire at all times this includes proper footwear, pants and helmets when working with horses.

We have ample supply of helmets and ½ chaps to use. We do ask that your child wear a boot with a heel. Please no sneakers while riding horses.

No flip-flops around the horses. Cell phone use will not be allowed around the horses.

All campers should bring shorts and sneakers to change into after riding.

There will be a \$25.00 cancellation fee if camp dates are changed after June 15th.
